REPORT OF OFFENDER NON-COMPLIANCE

NON-COMPLIANCE SUMMARY

The purpose of this report is to advise the Court of an alleged violation of the terms of supervision. The Probation Officer has developed a plan to dispose of the alleged non-compliance with action less than revocation, and the Court is requested to approve the plan to address the non-compliance.

1. ILLICIT DRUG USE (DATES) 10-13-05

Details of alleged non-compliance: On October 13, 2005, the defendant submitted a urine sample which returned a positive test result for the presence of marijuana.

United States Probation Officer Plan/Justification: Considering the defendant has candidly admitted to the probation officer that she is addicted to marijuana and has requested treatment, the probation officer recommends the Court take no negative action at the present time in order to allow the defendant to benefit from services. Should the defendant fail to find sobriety in the near future, the probation officer will take additional action or request court intervention.
